December 31, 2025

Dear Valued Member,

The YMCA of Franklin & Grove City board and staff would like to thank you for your loyalty. As a nonprofit, we are continually evaluating our programs, pricing, and efficiency to give you the best possible service. Our primary goal is to enrich the lives within our community by working together to create trust and confidence in all we do. Our future success as a community leader in youth development, healthy living, and social responsibility depends on stewardship and sound financial practices. We strive to keep costs for our members as affordable as possible; however, rising operating costs over the past few years require us to increase membership monthly and annual rates.

The NEW 2026 membership rates are available at www.grovecityymca.org or at the branch service desk.

We wish you all the best in the new year!
